Note: The RTCC remained in session from its meeting earlier in the morning. These minutes begin at the joint RTCC/RTAC portion of the agenda. The RTCC minutes from their earlier meeting are recorded separately.

Item 1 – Welcome, Introductions and Ethics Reminder

At approximately 12:00 pm, Mr. McCue called the RTAC meeting to order. He read the ethics reminder, and no RTAC members noted any conflicts of interest with today's agenda items.

Mr. Day conducted a roll call of all participants in the webinar/phone call.

Item 2 – Purpose & Agenda for Today's Meeting

Mr. Day reviewed the day's agenda. No revisions were requested.

Item 3 – Public Comment and Public Hearing on Item 11a

Mr. McCue called for any public comments. There were no members of the public who wished to make comments. He opened the public hearing and no members of the public spoke, so the hearing was then closed.

Item 4 – NC Board of Transportation Update

Ms. Mathis noted that over 7 million pounds of litter had been picked up so far this year, which is on pace for a cleanup record. She noted that road testing had resumed at the DMV, and that DMV hours were expanding after having shortened during the pandemic. She also noted that the NC Quick Pass customer service center had reopened. She stated that there had been 16,000 trips provided on 83 transit systems across the state to transport people to vaccine sites, and that the Click it or Ticket campaign was underway for Memorial Day week. She discussed a new commercial trucking app that will be able to provide trucks with real-time updates about road conditions, and noted that the next NC Transportation Summit would be held January 19-20, 2022.

Item 5 – NCDOT Transportation Planning Division Update

Ms. Bogle provided information on the status of Comprehensive Transportation Plans in the region and other statewide planning initiatives. She noted the Resiliency Initiative that is underway, including available data on flooding and landslides. She noted that the date for the next Lee County CTP meeting still needed to be set, and that there was no start date yet for the Pittsboro CTP update due to a lack of staff resources at this time. A handout was provided in the agenda materials.

Item 6 – NCDOT Division 7 Update

Mr. Robinson provided information about projects in Orange County. A handout was provided in the agenda materials.

Item 7 – NCDOT Division 8 Update

Mr. Kluchar provided information about projects in Chatham, Lee, and Moore Counties. A handout was provided in the agenda materials. Mr. Smith noted that Central Carolina Community College had purchased the Magneti Marelli site, and that this would have an impact on the Kelly Drive relocation project.

Item 8 – TARPO Staff Update

Mr. Day provided information about various news items of interest and upcoming events. He noted upcoming webinars on ADA transition plans and economic recovery strategies, noted that the Chatham County CTP maps and report were nearing completion, and that the TJCOG offices had just reopened and we could once again hold in-person meetings.

Item 9 – RTCC Adjournment and Report to RTAC

Mr. Meadows made a motion to adjourn the RTCC meeting, which was seconded by Mr. Mullis. The vote passed unanimously.

Ms. Thompson provided an overview of the morning's RTCC meeting, noting that the RTCC had recommended approval of Item 11a and that she and Mr. Meadows had been reelected to serve as chair and vice chair in the upcoming year.

Item 10 – April 8, 2021 Meeting Summary Approval

Mr. Smith made a motion to approve the minutes as presented, which was seconded by Ms. Fowler. The motion passed unanimously.

Item 11a – Approve FY22 Planning Work Program Amendment #1

Mr. Day noted that the FY22 Planning Work Program would need to be amended to include the Second Avenue Corridor Study funding that was received through the SPR discretionary grant program. This would add $61,600 in federal funds, $7,700 in state funds, and $7,700 in local match funds to be provided by the Town of Siler City. Mr. Dasher made a motion to approve FY22 PWP Amendment #1 as presented. Ms. Fowler seconded the motion, which passed unanimously.

Item 11b – Election of RTAC Officers for FY22

Mr. Day noted that each June the RTAC must elect its officers for the upcoming fiscal year. Both the current chair and vice chair were eligible for reelection to those positions. Mr. McCue noted that he did not plan to seek reappointment to the RTAC so someone else would need to serve as vice chair. Mr. Gaskins made a motion to nominate Mr. Andrews to continue as chair and Ms. Fowler to serve as vice chair. The motion was seconded by Ms. Mathis and was passed unanimously.

Item 12a – STIP Updates

Mr. Day provided an overview of the major STIP amendments that were recently presented to the NC Board of

Transportation.

Item 12b – Prioritization Updates

Mr. Day provided an update on the schedule for Prioritization 6.0, noting that more information was expected to come following a SPOT Work Group meeting in July.

Item 12c – FY21 Third Quarter Finances

Mr. Day provided an overview of spending in the third quarter of FY21.

Item 12d – RTAC Member Appointments

Mr. Day noted that member appointments in Chatham and Moore Counties would come up for reappointment this summer.

Item 13 – Member Updates from Around the Region

No members noted any updates.

Item 14 – Adjournment

Ms. Fowler made a motion to adjourn, which was seconded by Mr. Quis and approved unanimously. The meeting was adjourned at approximately 1:00 pm.

TARPO Rural Transportation Advisory Committee Meeting
Agenda Comments – August 11, 2022

Item 11a: By-Laws Update

Background

On August 15th, the current State of Emergency is set to expire. Currently, state law explicitly allows us to have virtual or hybrid meetings. Once the State of Emergency ends, Cities and Counties will no longer be able to count virtual participants for quorum or let them vote (according to UNC School of Government). RPOs (Rural Planning Organizations) are not held to that standard as we are an appointed board, but it has been recommended that RPOs (Rural Planning Organizations) explicitly allow virtual/hybrid meetings in their by-laws.

Staff proposes to add the below language below to RTAC by-laws as the last line under Section 1-Regular Meetings.

"Electronic meetings are permitted, given that a physical location is provided where members, alternates, or the general public can participate."

Recommendation

Approval of language to be added to the RTAC by-laws under Section 1-Regular Meetings.

Item 11b: 2nd Avenue Corridor Study

Background

TARPO and Siler City applied for SPR (Statewide Planning & Research) funds back in January 2021 to conduct a corridor study on Second Avenue from Greensboro Avenue to Fayetteville Avenue. This study was funded and a contract was awarded to Stantec to conduct the study. Karyl will present the results.

Recommendation

Adopt the Study.

MEMORANDUM

TO: TARPO RTCC and RTAC Members
FR: Matt Day, TARPO Principal Planner
RE: Fourth Quarter Expenditures and Financial Information for FY 22

For the period from July 1, 2021 through June 30, 2022, the Triangle Area Rural Planning Organization incurred expenses of $153,377.20. Of this total, $109,280.45 (71.2%) has been submitted to NCDOT for payment, $27,320.11 (17.8%) has been paid out of the local matching funds provided by the RPO member counties, and $16,776.64 (10.9%) has been paid out of the local supplemental funds provided by the RPO member counties.

The costs are summarized by type in the table below, and by PWP category and task in the table on the reverse side of this document.

	Q1	Q2	Q3	Q4	Total
Salary	$19,646.98	$20,626.22	$15,622.95	$17,323.98	$73,220.13
Fringe	$7,956.85	$8,526.05	$6,699.45	$7,088.66	$30,271.01

*The meeting expense category includes food purchased for TCC/TAC meetings. These food expenses are not eligible for payment by NCDOT and must be paid out of the local supplemental funds.

**NCDOT has capped TARPO's reimbursable Indirect expenses at $30,377 this year. Any Indirect expenses over that cap must be paid out of the local supplemental funds.

***The equipment purchase was for a new plotter to replace one that no longer worked. The RTAC voted at their August 12, 2021 meeting to allow supplemental local funds to be used for this purchase.

Matthew Day spent 73% of his time and Ben Bearden spent 18% of his time on the Triangle Area RPO in the fourth quarter.

Item 11d: CMAQ Call for Projects

Background

Each year, TARPO is able to submit projects for funding through the Congestion Mitigation and Air Quality (CMAQ) program. This program provides funding for projects that will have a positive impact on air quality in areas that are designated as non-attainment for national air quality standards, or areas that were previously in non-attainment. In the TARPO area, the eligibility extends to Orange County and the four northeastern townships of Chatham County (including the Town of Pittsboro).

The call for CMAQ projects typically takes place in the Winter, and we expect the same will happen this year; however, this year NCDOT has announced our target funding amounts further in advance to allow us more time to develop and select projects for submittal. We anticipate that around **$200,000** will be available for projects in the TARPO area. This is federal funding and requires a 20% match by the implementing local government or local agency. There are several eligible project types, but typically in our area the funding has been used in the past for sidewalks and transit projects.

TARPO will likely need to vote to approve which project (or projects) to submit at the December RTCC/RTAC meetings. Over the intervening months, the eligible local governments (Orange & Chatham Counties and Town of Pittsboro) and eligible local agencies (Chatham Transit and Orange Public Transit) should consider any projects they may wish to submit and let TARPO staff know about these project requests. If a project will require multiple years of funding (due to higher cost), this may also be an option we can discuss with NCDOT—communicate with TARPO staff if this may be of interest.

Item 11e: CTP Status Update

Background

There are three Comprehensive Transportation Plans (CTPs) with activity currently underway in the TARPO area:

Chatham County

The Chatham County CTP was adopted back in 2016. However, at that time the CTP report was never completed due to staff turnover at NCDOT. More recently, when NCDOT started work on completing the report, they found that there were some errors in the adopted maps. Since then, TARPO and NCDOT staff have been working to correct the maps and complete the report. Currently, the report is nearly complete and the corrected maps are ready to go out for readoption. Because the map errors were all within Siler City's planning jurisdiction, only Siler City needs to readopt the maps, not Chatham County or Goldston. We are waiting to hear from NCDOT about the next steps.

Pittsboro

The Pittsboro CTP was adopted in 2013. Currently, NCDOT has done some additional model runs at the request of Pittsboro. We are in the process of reviewing those updates and discussing next steps.

Lee County

Background work continues on the Lee County CTP. The Lee County Transportation Committee has reviewed several items, including the recommended roadway projects. Some remaining items to complete include the bicycle, pedestrian, and transit recommendations, and public outreach activities.

Item 11f: STIP Updates

Background

2020-2029 Draft STIP Update

The attached documents show STIP amendments to 2020-2029 STIP that were presented to the NC Board of Transportation in the last two months.

2024-2033 Draft STIP Update

NCDOT has updated its schedule and process for the draft 2024-2033 STIP.

- The Draft STIP will be reprogrammed with additional revenue and released as soon as possible. It is expected in the next several weeks.
- TARPO swaps will now be due by **Friday, March 17th, 2023**.
- The Final 2024-2033 STIP is anticipated to be presented to the Board of Transportation for approval in May 2023.
